PATIENT CONSENT

I understand the X-ray clinic I visit to obtain my chest X-ray image will provide the image to Lungscreen Australia for the purpose of reading my X-ray to the International Labour Organization Classification of Radiographs of Pneumoconioses (ILO Classification).

I give consent to the X-ray clinic to send my chest X-ray image to Lungscreen Australia for the purpose of providing an ILO Classification.

Signature: _____ Date: _____

PATIENT INFORMATION

1. Register your details at our website www.lungscreen.com and record your Lungscreen ID at the top of this form in the "patient details" section.
2. Visit a registered X-ray clinic to have your chest X-ray. To find a list of registered clinics refer to the back of this referral.
3. The X-ray clinic will send your chest X-ray image to Lungscreen for assessment and completion of your ILO B-reader report.
4. Your result (ILO B-reader report) is available for viewing on the Lungscreen portal.
5. Your result will also be sent to your referring doctor.
